Pebble FEIS Comments Draft 082020 NCD-OWOW-OGC version clean(2).docx

Hi Dave—attached is the latest FEIS comment letter. I have tried to share the BB sharepoint site with you and I got a note that my share request has been sent to the “approver” and I think that is Matt S, who is on vacation. There is lots of good stuff in there so you should check it out when you can but in the meantime, here is a copy of the letter.
